AMENDMENT TO RULES COMM. PRINT 117–31 OFFERED BY MR. BOWMAN OF NEW YORK

Page 864, beginning line 19, strike "economic capacity and therefore" and all that follows through the end of the subsection and insert "economic capacity. In addition, it is in the national interest of the United States to pursue appropriate cooperative opportunities for the United States and the PRC to undertake joint investments or "parallel initiatives", as described in section 30603(7), including as part of the Belt and Road Initiative, that increase the total global resources available to support the transition to clean energy, sustainable development, and climate resilience, so long as such investments are conducted in an equitable and fully transparent manner.".

Page 865, line 3, strike "counteract" and insert "match or complement".

Page 865, beginning line 14, strike "needs," and all that follows through the end of the subparagraph and insert "needs;".

Page 866, after line 5, insert the following:

1	() create a streamlined decision-making
2	process, directed by the National Security
3	Council, to also identify opportunities for coop-
4	erative investments that increase the total glob-
5	al resources available to support the transition
6	to clean energy, sustainable development, and
7	climate resilience, along with the proper terms
8	for such investments;

Page 866, line 10, insert ", as well as opportunities for multilateral cooperative investments with the PRC" after "finance".

Page 1337, line 20, insert "and stronger actions and commitments from developed countries" before the comma at the end.

Page 1338, after line 7, insert the following:

() to successfully lead the world in limiting 9 10 global warming to not more than 1.5 degrees Celsius, the United States must first and foremost in-12 crease its own climate ambition and commitments, including its 2030 nationally determined contribu-13 14 tion, and implement them with sufficient legislative 15 and regulatory action, in acknowledgment of its sta-16 tus as the world's top historic emitter and in line

11

1 with its fair share of global climate action, as de-	
2 scribed in section 306099(a);	
3 () the United States must prioritize working	
4 with other developed countries to do the same;	
Page 1340, beginning line 4, strike "coal power pro-	
duction" and insert "fossil fuel".	
Page 1340, line 14, strike "power sector reform"	
and insert "democratic participation and accountability	
in energy systems".	
Page 1340, line 16, insert "labor, environmental,	
and community" before "standards".	
Page 1340, line 17, insert "broad-based," before	
"low-emissions".	
Page 1341, line 2, insert "and, as needed, share"	
after "protect".	
Page 1341, after line 6, insert the following:	
5 () the United States should pursue joint ef-	
forts with the PRC to reform the World Trade Or-	
7 ganization and other international organizations to	
8 more equitably balance the needs and interests of all	
9 countries with respect to climate change and other	
10 global challenges;	

Page 1341, line 17, insert "and, as needed, share" after "protect".

Page 1341, line 17, strike "rights".

Page 1342, beginning line 25, strike "provide viable alternatives to projects that would otherwise be included within" and insert "complement".

Page 1343, line 10, insert ", especially the realization of its fair share of global climate action, as described in section 306099(a)" before the semicolon.

Page 1343, beginning line 14, strike clause (iv) and insert the following:

1 (iv) will complement and contribute to
2 raising the labor, environmental, and com3 munity standards of the Belt and Road
4 Initiative; and

Page 1356, beginning line 19, strike "foreign countries" and all that follows through the end of the subparagraph and insert "all countries in contributing their fair share of global climate action, as described in section 306099(a);".
